Check out www.HealthyToys.org - the consumer guide to toxic chemicals in toys. HealthyToys.org includes test results for more than 1,500 toys and children's products. Because children can be exposed to chemicals from many sources, and because the effects of some chemicals are cumulative, it is important to look at the whole picture concerning chemicals and children's health. This site provides information to help you make better choices when purchasing toys and other children's products (each toy is given a rating for six elements that represent the presence of chemicals of concern).

Salon Escape Best Hair Salon In Puyallup

Did you happen to notice our New Plaque?

Each year, the US Commerce Association (USCA) identifies companies that they believe have achieved exceptional marketing success in their local community and business category. These are local companies that enhance the positive image of small business through service to their customers and community. This summer we were notified we had been selected for the 2009 Best of Puyallup Award in the Hair Salons category by the US Commerce Association.

Various sources of information were gathered and analyzed to choose the winners in each category. The 2009 USCA Award Program focused on quality, not quantity. Winners are determined based on the information gathered both internally by the USCA and data provided by third parties.

We are extremely happy to have been recognized. You are part of the reason for the award so Thank You!

About U.S. Commerce Association (USCA)

U.S. Commerce Association (USCA) is a Washington D.C. based organization funded by local businesses operating in towns, large and small, across America. The purpose of USCA is to promote local business through public relations, marketing and advertising.

The USCA was established to recognize the best of local businesses in their community. Our organization works exclusively with local business owners, trade groups, professional associations, chambers of commerce and other business advertising and marketing groups.

Our mission is to be an advocate for small and medium size businesses and business entrepreneurs across America.
